Focus Statement: "Be of the same mind, having the same love, being in full accord and of one mind."

1. What are the differences between your approach to day-to-day life, and your calling to *be of the same mind, having the same love, being in full accord and of one mind*?
2. As you look around your church and your community, who are the quiet ones who "empty" themselves rather than grasping at high places or recognition for what they are doing?
3. Where, in the life of Emmanuel Church, are the places of "consolation from love," of "compassion and sympathy"?
4. In what ways are the members of Emmanuel all working out our own salvation with fear and trembling, together.
